Good evening parents:

I wanted to inform everyone that this evening I forwarded to our web designer the listing of the 2012 spring travel rosters in each age group. Such should be posted on our website shortly.

All the players that tried out should be proud of their performance and effort. Choosing 24 from so many talented players is always difficult. I assure you that our managers and I have taken time to review the tryout sheets and attempted to make the best decisions possible.

As always, if any questions arise please feel free to contact me at calpresncyba@yahoo.com or call me at 428-5296.

A few points of interest:

In the 11 Year Olds we had three players tied in the rankings for the final two spots. Accordingly, that group has 25 players listed and will work out with 25 through the winter. The spring Padres roster in this division will consist of 12 players and the Shakers will have 13. This is an exception to our normal practice of only having 12 players on a roster and in the future rosters will continue to have only 12 players.

In the 8u age group, we had enough interest to be able to break the group into 8s and 7s, thus allowing us to have 2 8 y/o teams and a 7 y/o team. All players that tried out in this level will be placed on the roster that corresponds to their age as of April 30, 2012. 7s will play with 7s and 8s with 8s.

Finally, unfortunately some players were not placed on a roster. At North Colonie we continue to strive to give all players the possibility of playing as much baseball as they can. However, we can only provide such when we have volunteers willing to take on the responsibility of managing/coaching these teams. So if your child did not make his roster and you would be willing to try to put a team together, we would give you any support we can. Please contact me if you have such an interest.

Thanks
